

**You must meet the criteria below to be eligible to apply for the  
ECN Masterclass**

- You are currently registered in an undergraduate or post-graduate course of study related to obesity or have received a masters, PhD or other relevant postgraduate degree within the past five years or an MD within the past eight years, and/or;
- You currently hold (or are applying to hold) an entry level position – e.g., junior doctor, post-doctoral fellow, lecturer, instructor, assistant professor, public health manager, or public policy coordinator at an established academic/research institution, NGO or public health institution/authority
- You have carried out the majority of work in Europe (although a proportion of work may have been performed outside of Europe)
- You are a member of the Early Career Network (Not a member? [Join here](#))
- You are a member of an EASO affiliated national obesity association if one exists in your country. [List of EASO Member Associations](#)
- You are **not** eligible to apply if you have attended an ECN Masterclass or EASO Masterclass in the last 3 years.
